

Join BBF for an informative Legislative Breakfast!

**Tuesday, December 17th, 2019
9:00 a.m. - 10:30 a.m.**

**Capitol Plaza, Montpelier Room
Montpelier, Vermont**

Please join us for an informational networking breakfast to learn about Building Bright Futures' (BBF) latest work in monitoring the state's early care, health, and education systems, including:

- Review of key data trends on the well-being of Vermont's young children and families
- Policy and systems improvement opportunities across our early care, health and education sectors
- Report on the work of the Early Childhood and Family Mental Health Task Force and their recommendations on how best to support families and children with mental health challenges

We need a collective answer to the challenges facing our youngest Vermonters, and we recognize that we can better address the complex issues facing children and families when we work together.

To RSVP, please contact Katie Mobbs at kmobbs@buildingbrightfutures.org or 802-876-5010.

BEE'S WRAP™

SUSTAINABLE FOOD STORAGE

**BBF would like to thank
Bee's Wrap for underwriting our
2019 Legislative Breakfast.**
